From the President:

KSHA members, we need your support! The Jr's are putting on a fund-raising show and to support the show all you have to do is just show up and show your horse or buy some food from the concession stand! So far, we have spent less than \$25 on this show. Everything else has been covered by donations! This includes the venue, the judge, and the announcer. We need to make sure we show our appreciation for these Jr Heros! So, if you show your horse, every \$1 you spend will go towards supporting the Jr's and the Scholarship Fund because of these volunteers!

Every show that is hosted by KSHA is to help support either the banquet (April and September shows) or the Jr's (July show). When you show at the April and September shows, your funds go toward supporting the show itself and whatever is left over goes towards the banquet. Unfortunately, the first show that we had did not get much support and made no profit. If it hadn't been for the grant, we were able to get from Rice County we would have lost around \$1000 on the show. As it is we came very close to breaking even, which means no money was earned to support the year end banquet and prizes.

With no profit from the April show the September show is really going to need your support now. So, to help incentivize our members to attend our show, the board has approved that both the Jr show and the September show be double points! Yes, if you win a class, instead of getting 6 points you will get 12 points! It does not count as attending an extra show so you will still need to attend 3 shows to be eligible for year end awards but that goes a long way toward getting some possible year end awards!

We know times are tough and as a club we are doing everything we can to make coming to the show's fun, easy and economical. We are always looking for new, inexpensive venues that might excite our members and attract new members. Cutting expenses everywhere we can is almost our mantra. Trying to find ways to get the most bang for our buck when it comes to year end awards. And all of this is done by volunteers. Please show our volunteers that all their effort is not for naught. Support our shows in any way you can.

Thank you,
Diana VanDyke, President

Did you just read that!

No shoes, No shirt, No service!

Well not quite but you get where I am going with this! For the July 15th show in McPherson the Board has approved to waive the long sleeve requirements to allow for t-shirts and also allow either no hats or baseball caps in leu of the appropriate hat at the riders' discretion. What does that mean for our riders? Very simply, you can go ahead and wear the appropriate attire according to the requirements of the class you are in OR you can wear a T-shirt instead of the correct shirt, but we will still require long pants and boots. Also, instead of the appropriate hat/head gear you could go bare headed (no hat) or you are also allowed to wear a ball cap. If it is windy though, think ahead on what would be appropriate for you and your horse. There will be no penalty for wearing a t-shirt or hat that has a logo on it. I am sure our Judge will see past those type of shenanigans! So hopefully no matter how hot or cold it is we will be able to have everyone comfortable and we will all have a lot of fun! To be helpful and to hopefully get a few of you to giggle I have included pictures to help you understand what will be allowed at the show. Let's all be ready to have some fun!

Naked?
Seriously? NO!

Still not even close! Not tank tops! No shorts! And must have appropriate footwear!

Close! Yes Jeans. Yes, t-shirt that covers shoulders and upper arm. Must have appropriate footwear!

These are all good! You can still wear your cowboy hat or hunt cap with your t shirt and appropriate shoes and long pants. The third picture is utilizing all the options of t-shirt, ball cap but still the appropriate shoes and jeans. Or you can still go all out and dress up according to the class you are in. If you are unsure, just ask!

Pattern....I don't need no stinking pattern!
