Pre-entries are not required but appreciated and you can add classes at the show.
 Gate entries are allowed but if you enter the class you will be charged for the class.
 If you are going to use your own number please list that below. Numbers are on the horse.

number	Name of horse	Name of rider	class #							

class # Explanation of fun classes! All will be walk/trot friendly

- 17 Showmanship Swap: You will get a horse at the gate! Let's see your skills with a horse you have never shown! Don't forget to bring your showmanship horse with you as someone else will be showing your horse! Judged exactly like a showmanship class. If you are a beginner showmanship exhibitor, this will not affect your status! (management will approve horses) Judged like a regular showmanship class. No horse, talk to the office!
- 27 Simon Says: If the judge does ask for a canter/lope then the walk/trot participants will just do an extended trot unless they feel comfortable in the canter/lope. This will not affect your beginner status! If you miss a command you are out. Last person on the rail wins!
- 35 Egg and Spoon: You will be provided with an egg and a spoon in the arena. You will hold the handle of the spoon and you are not to touch the egg. The last person that still has the egg in their spoon is the winner.
- 40 Horseback Musical Statue: Horse and rider will follow whatever instruction they are given for when the music starts (walk on rail, trot on rail, walk a serpentine along rail, etc) and continues that action until the music stops. When the music stops the horse and rider freezes and whoever is moving the most is eliminated.
- 50 Steady Eddy: You will be provided a cup with water. At the end of the class, whoever has the most water in the cup wins. You can not hold the cup by the top, only by the side or bottom.

Remember, this show is to support our Junior members and our scholarship fund. We have many people that we already need to thank. Our judge, announcer, and office manager are all supporting our show by donating their time. The arena is a free will donation that we will honor with part of our profits and arena donations and everyone helping out at the arena and concession are all volunteers. We want to thank everyone for your help in making this a fun show and helping our Jr's get some funds in their account. We are still looking for prize donations for our classes. Any little bit helps!!
